INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF AUSTRALIAN MUSEUMS AND GALLERIES ASSOCIATION INCORPORATED

Report on the Audit of the Financial Report

Opinion

I have audited the financial report of Australian Museums and Galleries Association Incorporated, which comprises the statement of financial position as at 31 December 2018, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Responsible Persons' Declaration.

In my opinion the financial report of Australian Museums and Galleries Association Incorporated has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- a) giving a true and fair view of the registered entity's financial position as at 31 December 2018 and of its financial performance for the year then ended; and
- b) complying with Australian Accounting Standards and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of Australian Museums and Galleries Association Incorporated in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis my opinion.

Other Information

The Council is responsible for the other information. The other information comprises the information included in external reports prepared by Australian Museums and Galleries Association Incorporated and made available to members and the public such as the Annual Report, but does not include the financial report and my auditor's report thereon.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of Council for the Financial Report

The Council of Australian Museums and Galleries Association Incorporated are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the ACNC Act, and for such internal control as the Council determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Council is responsible for assessing Australian Museums and Galleries Association Incorporated's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Council either intends to liquidate Australian Museums and Galleries Association Incorporated or to cease operations, or has no realistic alternative but to do so.

The Council is responsible for overseeing Australian Museums and Galleries Association Incorporated's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit.

I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Australian Museums and Galleries Association Incorporated's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Australian Museums and Galleries Association Incorporated.
- Conclude on the appropriateness of Australian Museums and Galleries Association Incorporated's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Australian Museums and Galleries Association Incorporated's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause Australian Museums and Galleries Association Incorporated to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with Australian Museums and Galleries Association Incorporated regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including when considered necessary any significant deficiencies in internal control that I identify during my audit.

Loans and receivables – when held these are stated at amortised cost using the effective interest rate method.

Held-to-maturity investments —when held these are stated at amortised cost using the effective interest rate method.

Financial liabilities – when held these are recognised at amortised cost, comprising original debt less principal payments and amortisation.
